

October 17, 2014

FEI & FIIT STUBA, Bratislava, Slovakia

OPENSLAVA 2014

Accenture, the world's leading consulting, technology and outsourcing company, invites you to a one day conference on the current and emerging technologies within the open source ecosystem.

Increase your proficiency, share experience and obtain exclusive insights into the current and emerging technologies within open source ecosystem.

Meet wide variety of high-caliber open source professionals from all over Europe.

At OpenSlava 2014 you can look forward to:

- **More presentations and more great speakers**
Compared to 2013 we will have one additional stream of presentations
- **A new partner of the event**
Red Hat, the world's open source leader, is the General Partner of OpenSlava 2014
- **A new location**
OpenSlava will take place at both relevant IT faculties in Bratislava
